

TRATTO

Forma slanciata ma al contempo compatta, Tratto apparecchio da parete per ambienti esterni ed interni, si contraddistingue per il suo profilo lineare in grado di valorizzare i volumi grazie al suo fascio di luce in mono o biemissione.
Realizzato in alluminio pressofuso verniciato e pretrattato per l'utilizzo in ambienti esterni, è fornito completo di fonte luminosa a LED e di schermo in policarbonato satinato.
Il grado di protezione contro la penetrazione di corpi solidi e liquidi è IP65.

Slim and compact at the same time, Tratto is a single or double emission wall luminaire fitted for both indoor and outdoor installations.

Made of powder coated die-cast aluminum, it is equipped with LED light sources and opal polycarbonate diffuser. Driver not requested.

The degree of protection against the penetration of dust, solid objects and liquids is IP65.
